

# A Century of Tradition

Mt. Assisi Place is a personal care facility situated on 11-acres overlooking beautiful vistas in Pittsburgh's north suburbs. Our campus was built in 1928 by the School Sisters of St. Francis, who came to the United States from Europe in 1913. Mt. Assisi Place was formerly known as Marian Hall Home, established by the Sisters in 1970. Artifacts from the Sisters' century-long legacy are displayed throughout our buildings, and more than a dozen Sisters remain in residence here.

*Choosing care needn't be a stressful experience. At Mt. Assisi Place, we work with our residents, their family members and healthcare providers to ease this time of transition and welcome them to a great place to live.*

We are committed to helping our residents be as independent as possible and achieve a balanced lifestyle filled with varied daily activities, including a meaningful spiritual life. We are delighted when residents share their lives with us and respond successfully to the challenges before them.

Mt. Assisi Place employs approximately 50 full- and part-time personnel. Our administrators, physicians, nurses, aides and other support staff get to know each Resident so that we may best meet their individual needs and specific care plans.

Although personal care facilities are not required to have nurses on staff, Mt. Assisi Place has full-time and part-time nurses

available for the benefit of our Residents. Along with our aides, our nurses assist Residents with many day-to-day activities, and our activities coordinators organize a wide variety of enriching and entertaining events and activities for our Residents.

A physician is available on site weekly, and Residents also are encouraged to stay in touch with their personal doctors for medical advice. Excellent pharmaceutical support is available locally and by delivery.

Our Residents enjoy access to beauty and barber services, laundry and housekeeping services, our peaceful grounds, a full chapel with daily Mass, and unlimited visitation privileges, both on and off the property.
